

# WSHE NEWSLETTER No. 19

Jan 2022

## INTRODUCTION

In this **January 2022** edition, we summarized the **Workplace Safety, Health & Environment (WSHE)** statistics and performance for the **year 2021**. STEC fully endorse **LTA's "ZERO ACCIDENT MOVEMENT"** and **MOM's "VISION ZERO"** even though it was a tough year as we enter the phase of living and working together with COVID-19.

## Safety Is The Measure Of Our Success

**STEC Projects** achieved **ZERO** reportable accidents with more than **7 million** manhours worked in the **year 2021**. With our **relentless efforts** and **teamwork** with the **construction team**, we **enhanced our WSHE standards** through the review of **Safe Work Procedures (SWP)** and ensuring that **competent supervision** is present at all times.

SAFETY  
Is Not Just A  
SLOGAN,  
Its Our Way Of Life

Lessons learnt from incident, accidents and near misses are **analyzed and briefed** to all site personnel during **Safety Time-Out (STO)** and **daily toolbox meetings**. Our top management stand is that **WSHE** shall take precedence over other priorities and to be an **integral part of STEC's business model**.

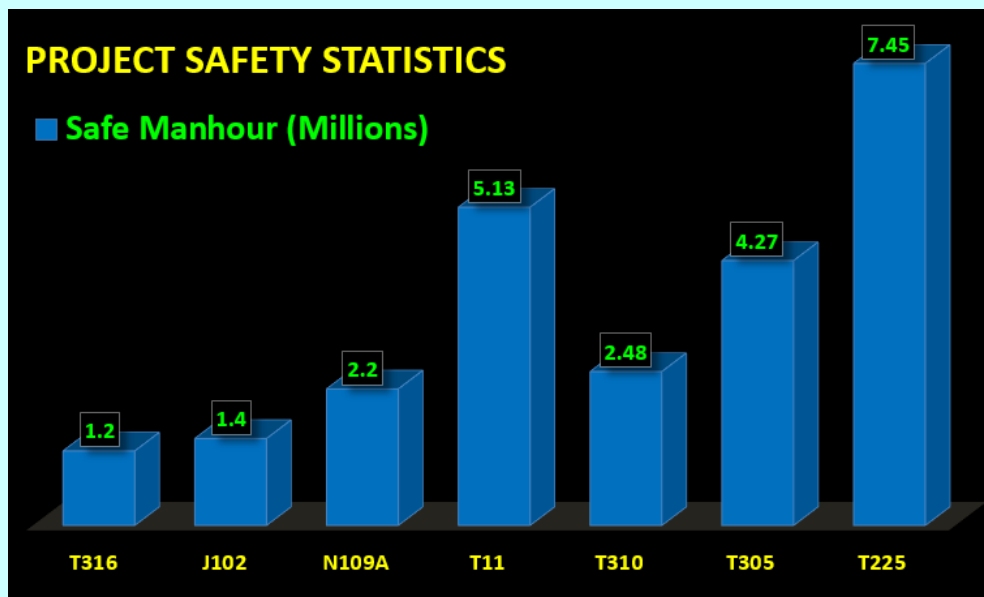

## WSH BULLETIN: ENSURING COVID-19 SAFE WORKPLACES

- The new **Workplace Safety and Health (COVID-19 Safe Workplace) Regulations 2021** have come into effect on **1 January 2022** with the following requirements:
  - ⇒ Allow up to **50%** of employees who are able to work from home, to be at the workplace at any point in time.
  - ⇒ Implement **vaccination-differentiated access** to the workplace from **1 January 2022**.
  - ⇒ Establish a system of **Safe Management Measures (SMM)** to provide a safe and healthy working environment.

# ACCIDENT FREE MANHOURS IN 2021

As the **COVID-19 epidemic situation in Singapore continues to improve**, we can look forward to the **resumption of more activities in our workplaces** in the future. With the relentless efforts in combating COVID-19 through implementation of **stringent in-house COVID-19 policies** by our **top management and executing enforcement by our project teams**, Singapore region's 7 on-going projects not only **prevented a COVID-19 outbreak** but achieved **key safe manhours** throughout their phase of works in 2021. **KEEP UP THE GOOD WORK!**
